Unit 4 Extension

1 Przeczytaj tekst. Kim w swojej pierwszej pracy był Jack White? Zakreśl a, b lub c.

- a a singer b a furniture maker c an electrician

Jack White is an American rock star. He's famous because he was in a band called *The White Stripes*.

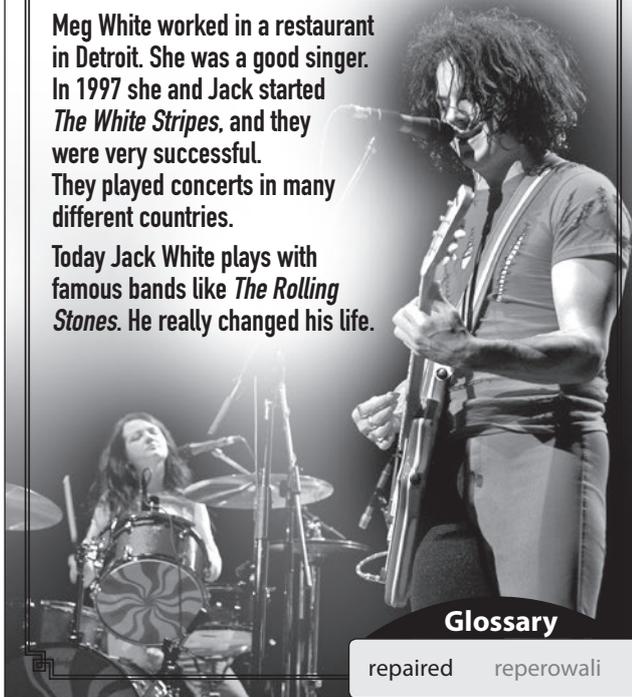

But he wasn't always a famous rock star. Jack's first job was as a furniture maker. He worked with his uncle and they repaired old furniture like sofas and armchairs.

Jack's parents had ten children. His dad was a builder and electrician and his mum was an office worker. Jack was the youngest of their children. He was always interested in music. He started playing the drums when he was only six years old.

When he was fifteen, Jack finished school and started work with his uncle. But he wasn't very good at business. He didn't like Maths and he didn't like working Mondays to Fridays. He started playing the drums with a band from his home town, Detroit.

Meg White worked in a restaurant in Detroit. She was a good singer. In 1997 she and Jack started *The White Stripes*, and they were very successful. They played concerts in many different countries.

Today Jack White plays with famous bands like *The Rolling Stones*. He really changed his life.
